Breakfast Club will begin at 8:00 every morning and children should enter from the main reception.

Each day the following will be served: a choice of cereal, toast and fruit. There will be a range of spreads and jams on offer too. Children will be given a drink of fruit juice and/or water. We will promote healthy eating as part of the breakfast club.

Breakfast will be served until 08.30am.

Mrs Mailer and Mrs Billings will entertain the children with fun games, craft, laptops and other activities in the school hall after they have had their breakfast.

At 8:50am, the children will go out onto the playground as other children are arriving and staff are on hand to supervise.

The cost of the breakfast club is £3.50 per day. The cost covers the childcare but also includes breakfast. Children do not have to come every day and you may decide that some days of the week are better than others. However, we would ask that you let us know prior to the day when they will be attending so that we can ensure the correct number of adults are on hand. We do request that payment is made in advance. If you have already paid for a session and you choose not to attend on the day, you will still be charged as staffing and provisions will have been put in place.

Please complete and return this form to the school office so we can set up the online payment facility, or speak to the school office team for alternative ways to pay.
