

# Our School Early Help Offer

**Our school will work with children and families and we will**

## Aim to:

**Work to families' strengths** especially those of parents and carers and take time to understand their needs fully.

**Work with** people, children and communities to support each other.

**Focus on preventing problems** before they occur and offer flexible, responsive support when and where it's required.

**Base all we do on evidence** of both what is needed and of what works and be brave enough to stop things that are wrong.

**We will know if our work in early help is successful if it delivers these outcomes:**

Our offer is embedded in Coton-in-the Elms Child Protection and Safeguarding Policy, Early Help, and is part of a continuum of work in helping keep children safe. We also have a system to address any concerns in our delivery of the offer, and this is addressed in the schools complaints procedure.

Our service is delivered by co-ordinated multiagency practitioners by the school making contact with the Pingle School who co-ordinate the service on the school's behalf.

Our point of contact in school is the Head Teacher and you can make contact via the school office – phone (01283) 761361
