Once Upon a Time Remote Learning Spring 2021

Music

- Make your own homemade instruments being as creative as you can! Then use your instrument to play in time to your favourite song.
- Think about the different sounds we associate with the weather. What sound do you hear when there is a heavy downpour, thunder, and howling wind? Find words and sounds to describe them, such as rumbling thunder said in a low voice and howling wind said in a screechy voice.

ICT

- Watch the video
<https://www.bbc.co.uk/bitesize/topics/z3tbwmn/articles/z3whpv4> Write down an algorithm that gives instructions for you to get from one room of your house to another. Make sure you remember to write down how many steps you need to take and which direction you need to turn.
- Using the Maze game <https://toytheater.com/maze/> use your computer arrows to direct the spaceship to planet Earth.

Art

- Think about your physical features; what colour eyes do you have? What colour hair do you have? What tone is your skin? Have a go at using different mediums e.g pens, pencils, paint, wax crayons to draw yourself. Take your time and be as accurate as you can.
- Redesign your favourite book cover thinking carefully about what colours you use and why?

RE

- Recap the creation story.
<https://www.youtube.com/watch?v=teu7BCZTgDs> draw or paint what happens on each day.
- If God is the Creator, what rules might he give for how to look after the world? Make a list of 5 rules. If everyone followed these rules, what difference would it make to the world? Which ideas are the best ideas, and why?
